

School objectives

The following is the school's published mission statement:

Our promise to you

We take pride in delivering a professional and personal service which helps you to achieve your learning goals.

That means that everything we do should have a positive effect on your education and welfare.

Our Service

We will treat you with courtesy and sensitivity. We will make it as easy as possible for you to interact with us. We will deal with you in a polite, professional manner. We present ourselves with a professional appearance in a friendly environment. Please see our methodology statement for information on our teaching.

Our staff

Our staff will provide you with the best possible service. We will provide you with clear, timely and accurate information about our services. We welcome your comments, suggestions and views on any aspect of our service.

Equal Opportunities

We conduct our business to the highest possible standards of ethical and professional behaviour in an atmosphere of respect. We will interact with you in a fair and open manner irrespective of race, gender, religion, sexual orientation, language and disability.
