Leeds English Language School Trips and Activities

Leeds English Language School wants all students to enjoy their time in the UK and to experience British culture. Throughout the year the school runs weekend and weekday social activities. These provide an opportunity for students to socialise with each other, practise their English, see places of interest and do interesting things. Some activities are part-funded by the school but students pay for most activities. We also offer free trips and excursions throughout the year. We aim to run weekly weekend trips over the summer period and at other times of the year every 3 or 4 weeks. One weekday trip or excursion is planned at least every 2 weeks throughout the year.

Places may be limited due to numbers of staff or type of excursion offered.
