Student Accommodation

Carr Mills provide accommodation for students from Leeds English Language School and the three universities in Leeds.

Accommodation should be booked through the school who will require full payment in advance plus booking fee and deposit.

Carr Mills will issue you with a contract when you arrive. You must respect the rules of the accommodation company and inform them immediately of any damage or breakages.

The school will inform the accommodation provider once you have left the school. After finishing your English course, you will not be permitted to continue living in Carr Mills unless you have proof that you are moving on to another school or university.

The school will refund your deposit once we have received confirmation from Carr Mills that the contents of your room are in good condition upon leaving and that there are no outstanding damages or fines.

If you are leaving your accommodation early, refunds will only be given if we can place another student in your room.

N.B. Accommodation providers are separate companies and it is the student's responsibility to read the terms and conditions and the rules of the accommodation provider before booking
