Photos and videos of students policy

Leeds English Language School sometimes wishes to use photos or videos of students in its promotional materials and it a condition of enrolment that students agree to their photograph / videos being used for marketing purposes unless they specifically state otherwise. If a student does not wish their photo or video to be used they can opt out at any time by letting us know. In addition, as a courtesy we do ask students if we can use their picture beforehand in case there are any objections.
